

2025-2026 Tuition and Fees

Tuition Subsidy - Holy Apostles provides an exemplary education through tuition and the generous parish subsidy for each student attending our school. Our parish currently subsidizes approximately 40% of the cost to educate one child and increases this subsidy with each additional child in a family. To receive this subsidy, we ask that families are active members of the parish community. This would include:

- Praying with us at Sunday Eucharist
- Being a registered member of our parish
- Returning a commitment to parish life
- Being involved in school/parish ministries and service opportunities
- Providing financial support to the parish in addition to the cost of tuition and fees

If you are a member of another parish, we encourage you to speak to them about the availability and requirements for receiving subsidized tuition at Holy Apostles.
