8th Grade Washington DC Trip Update—We have received all Medical Release forms for 8th Grade students going on the DC Trip. The form listed over-the-counter meds that can be administered by the chaperones with your approval. We will bring the medicines listed on the form. **We ask that you send any other meds your child takes to school in a Ziplock baggie with the child's name on it as soon as possible or no later than Monday 4/22 and Tuesday 4/23.** Reminder, Washington DC tends to have spring blossoms while we are there and if your child normally has allergies, it may be a good idea to send meds to help with those symptoms. On March 11th students received a white packet of airline information, rooming list, chaperone list, and behavior expectations. Please review this packet with your child. Please contact Mrs. Laabs, Sra. Kurth, Mr. Parker with any questions.

Join the Festival Committee

We are a fun group of parishioners and are in need of area leaders to help continue our successful festival. The new leaders will be able to work with previous leaders and support volunteers to learn the role. These areas have a great support staff that assist during the festival, but are in limbo to continue for our 2024 festival. Areas that need leaders: **Fish Fry, Pizza, Bake Sale, and Parking.** Please prayerfully consider stepping up! Many hands make light work!

Bring Unwanted Tools to April Tools Day, Saturday, April 20

**ST. JOSEPH'S
TOOL CHEST**
HAND  HAND

April Tools Day is back! St. Joseph's Tool Chest (SJTC), a ministry of Holy Apostles since 2016, needs your unwanted tools. We will refurbish them to a nearly new condition, and redistribute them, free of charge, to people and organizations locally, regionally, and internationally. Our renewed tools provide the means for people to make a better life for themselves.

Bring your unwanted tools to the **school parking lot at S.159th on Saturday, April 20, between 8:00 am-2:00 pm.** We are certified as a charitable organization by the IRS and can give you a receipt for your donation if you wish to have one.

We always need: rakes, shovels, hoes, shears, wheelbarrows, trowels, chisels, pliers, screwdrivers, hammers, saws, wrenches, socket sets, drills, circular saws, sanders, table saws, routers, drill presses, chainsaws, sewing machines, concrete mixers, emergency generators, masonry tools, hardware, nuts, bolts, nails and screws.

We do not take any kind of electronic equipment. We do not accept computers, printers, cell phones, TV sets and the like. If you can't get the tools to us, we can come to you. To arrange for a pickup, please contact parishioners Bill Jonas, (262) 439-9131, or Gene Kaczowski, (414) 801-0511.

Volunteers are welcome to join the SJTC equipment refurbishing team; call Bill or Gene. We could really use volunteers with small gas engine experience (push mowers, chainsaws, etc). Visit our workshop for a tour at 2704 S. 163rd St., New Berlin on Tuesday/Thursday/Saturday, from 9:00 am-12:00 pm. For more information about St. Joseph's Tool Chest, see our website, www.stjtc.org.
