___ Every week ___ Every other week

_____ I am willing to **judge** at 2 or more tournaments (you choose ones that work in your schedule). We will train you how to judge.

_____ I am willing to be **Home Base Parent** at a tournament. Requires no training. Takes attendance, monitors and assist students, watches the team's personal belongings during tournaments and releases students at the end of the day. *Home Base Parent arrives early to tournament and stays until last student has been picked up. This is also a great "share activity" with another parent.*

My son/daughter, _____ has my permission to stay after school every Wednesday from 3:15-4:15pm for Forensics when school is in session. I will make arrangements to have my child picked up promptly at 4:15pm. My child and I have discussed the fact that by joining the HA Forensics Team, he/she is obligated to attend as many practices and events as possible. We understand this commitment and he/she is excited and willing to join the team.

Forensics Commitment Form

As a Forensics Team member I promise to:

1. Be respectful to all of the Forensics coaches, and listen quietly during Forensics meetings.
2. Attend weekly scheduled Forensics meetings. (You must notify BEFORE Wednesday if you need to miss a practice. Excessive absences will result in removal from the team. In case of illness, an excused absence will be recorded and the student will not be penalized, but please notify us ASAP.)
3. Come to practice with all the materials I need to practice my piece. (This includes your script and any props you may be using.)
4. Clean up after myself in the Library and in any room in which I will work. I will treat the classroom and the things in them with respect.
5. Stay in the classroom I am assigned to until dismissed.
6. Work on my piece for at least 1 hour a week in addition to my practice during Forensics meetings.
7. Perform my piece in at least 1 tournament and parent night.
8. Sign up to bring in snack / drink for the team at least once in the season. (Please bring in items that are already divided into portions. No soda.)
9. **Keep my script and the rules for my category in my folder, which I will keep in the file drawer in the Library.**
