

Dear Parents and Guardians,

As the newly appointed principal at Holy Apostles Catholic School, it is my pleasure and honor to join you in continuing the rich history of academic excellence and faith-based education that this school has been known for 125 years. I am truly blessed to be appointed to this position, and look forward to working with the dedicated staff to provide the best possible educational program for our students, and help the school continue to grow.

Before coming to Holy Apostles, I was the principal at St. Matthias Parish School. Prior to that, I was a middle school teacher and an instructional coach with Milwaukee Public Schools. I obtained a Bachelor's Degree in Social Work from University of Wisconsin-Milwaukee before earning my teaching licensure and Master's Degree in Education from Cardinal Stritch University. I then obtained my Administrative License in June 2016. In my free time, my husband and I enjoy traveling and spending time with friends and family.

My goal as principal is to provide the leadership that will facilitate a school environment that provides the best possible academic instruction to meet the needs of each student. The educational program must be academically challenging, engaging, and also be exciting to promote further learning and the exploration of new ideas. While I believe that academics are a very important part of education, I also believe that teaching the love of Christ with morals and values is just as important in developing the whole child. I am excited that we have the opportunity here at Holy Apostles to touch the lives of many children and teach them about the love of Jesus Christ.

Through a close partnership with staff members and parents at Holy Apostles Catholic School, I am confident that we can make our school a place where our students develop a love of learning and of the Catholic faith that continues throughout their lives. Please feel free to stop in and say hello, as my door is always open.

Blessings,
Kristin Lee
