

Welcome!

Mrs. Kathryn Sowinski, Art Teacher

Hello Holy Apostles! I've always loved making art. I attended Holy Apostles School, where, in first grade with Mrs. Pagels, I completed my "all about me" assignment declaring I wanted to be an artist. I graduated from Pius XI high school. I attended Maryland Institute College of Art. I began working in an after-school program teaching art to students in the inner city. I loved combining my passion for art with serving others. I earned my Bachelor of Fine Art and Master of Art in Teaching. I taught art in Baltimore, where I met my husband. We have twin daughters and recently moved to Wauwatosa to be closer to family. I enjoy painting, running, and exploring all the fun things to do in Wisconsin with my family. I'm thrilled to be back at Holy Apostles and I can't wait to meet my students!

Miss Kailey Walker, 5th grade teacher

Hello! My name is Kailey Walker and I just moved to Wisconsin from St. Louis, MO. My fiancé, Joe, works for the Brewers. We are getting married on October 16, 2021.

I am originally from rural Southern Illinois. I taught for 8 years in both the Archdiocese of St. Louis and the Diocese of Belleville. I earned my BS in Secondary Education at Spring Hill College in Mobile, AL and my MA in Catholic School Administration from Saint Louis University.

Fun Facts about Me: I have a corgi named Murphy and a Bernese Mountain dog named Dryden. I am HUGE Alabama Football and Saints fan! I've done service work in Belize and Uganda and am always looking for ways to serve my community. I am so excited to become part of the Holy Apostles Family!
